Warranty Information

- The warranty commences from the date of installation.
- The warranty includes the replacement of any parts, other than those which are as a result of incorrect use of equipment, wilful or accidental damage, neglect, power failure (e.g., switched off) or units left off charge, poor environmental conditions or any other cause which is beyond our control.
- The warranty includes a 24-hour emergency breakdown service. Labour charges are included, EXCEPT for those listed above.
- The warranty does not include consumables, i.e., batteries.
- The warranty is not transferable if the equipment is removed and re-sited to a different location.
- The warranty is void if the equipment is tampered with or worked upon by other agencies, other than a Premier Mobility engineer.
- The warranty requires the purchase of a Standard Service within a month of years 1,2,3,4 of the installation date. Failure to purchase this service will invalidate the warranty.
- The warranty is invalidated if we are not able to gain access to service the equipment at the correct service internals.
- The warranty does not affect your statutory consumer rights.
